CURRICULUM VITAE

NORVIN WALDEMAR RICHARDS, III

DEPARTMENT: Linguistics and Philosophy   **DATE: January 2017**

DATE OF BIRTH: April 19, 1971

CITIZENSHIP: United States

EDUCATION

INSTITUTION	DEGREE	DATE
MIT	Ph.D	1997
Cornell University	B.A.	1993

TITLE OF DOCTORAL THESIS: What Moves Where When in Which Language?

FELLOWSHIPS AND HONORS

Japan Society for the Promotion of Science, Postdoctoral Fellow, Center of Excellence, Kanda University of International Studies	**1998-1999**
Mitsui Career Development Professorship	**2000-2003**
Margaret MacVicar Faculty Fellowship	**2010-**

PROFESSIONAL EXPERIENCE

ACADEMIC POSITIONS

2008-	Professor of Linguistics, MIT
2004-2008	Associate Professor of Linguistics with tenure, MIT
2003-2004	Associate Professor of Linguistics, MIT
1999-2003	Assistant Professor of Linguistics, MIT
1997-1998	Visiting Assistant Professor of Linguistics, University of Massachusetts, Amherst

NON-ACADEMIC ACTIVITIES

2011-2014	HASS Concentration advisor, Linguistics
2011-2014	Linguistics minor advisor
2011-2014	Linguistics transfer credit examiner
2011-2014	Linguistics undergraduate program officer

2011	Co-organized FASAL
2008-2011	Member of Committee on Student Life, MIT
2008-2009	Member of Committee on the Undergraduate Program, MIT
2008-2009	Co-organized SULA
2008	Celebrity Judge, MITStache IAP Moustache-Growing Competition
2008	Judge, Random Hall Beef-Off
2003-	Member of Editorial Board, Syntax
2002-2003	Co-organized WAFL 2
2001- 2005	Member of Associate Editorial Board, Journal of East Asian Linguistics
2001	Co-organized FAJL 3
2001	Co-organized AFLA 8
2000-2001	Co-organized Algonquian Reading Group, MIT
1999-	Member of Wôpanâak Language Reclamation Project
1999-	Member of board for the Ken Hale Fund
1999-2002	Organized and taught weekly informal Tagalog classes at MIT
1999-2000	Co-organized Austronesian Reading Group, MIT
1999	Co-organized Workshop "Move and Interpret Alpha," Kanda University
1998-2011	Member of Associate Editorial Board, Linguistic Inquiry.
1998-1999	Co-organized Syntax and Semantics Reading Group, Kanda University
1998	Co-organized Syntax Reading Group, University of Massachusetts, Amherst
1997-	Member of the Linguist List's "Ask a Linguist" panel (http://linguistlist.org/ask-ling/)
1996-1997	Organized Post-Generals Workshop at MIT
1995-1997	Computer Supervisor, Department of Linguistics and Philosophy, MIT
1995-1996	Co-organized MIT Linguistics Colloqium Series
1995	Co-organized NELS 26 at MIT & Harvard

Reviewer for Linguistic Inquiry, Natural Language and Linguistic Theory, Studia Linguistica, Canadian Journal of Linguistics, Snippets, Syntax, International Journal of American Linguistics, Lingua, MIT Press, Blackwell, NSF

Abstract reviewer for GLOW, NELS, WCCFL, AFLA, ESCOL, CLS, WAFL

SEMINARS, COLLOQUIA, ETC.

December—2016	"Contiguity Theory and Clausal Embedding," invited talk, University of Connecticut.
November—2016	"Contiguity Theory and Pied-Piping," invited talk, Tel Aviv University.
November—2016	"Deriving Contiguity," invited talk, Ben Gurion University.

July—2016	"Contiguity Theory and Pied-Piping," invited talk, Workshop on the Effects of Constituency in Sentence Phonology, University of Massachusetts, Amherst.
June—2016	"Immobile wh-phrases in Tagalog," poster, AFLA 23, Tokyo University of Foreign Studies.
April—2016	"Pied-piping and Contiguity Theory," invited talk, University of Maryland.
October—2015	"Nuclear stress and the life cycle of operators," invited talk, University of Pennsylvania.
May—2015	"Tagalog prosody and scrambling," AFLA 22, McGill University.
March—2015	"Contiguity Theory and DP-structure," invited talk, workshop on Alternatives to Formal Features, Deutsche Gesellschaft für Sprachwissenschaft, Universität Leipzig.
March—2015	"Selectional Contiguity," workshop on VO-OV: correlations of head-complement order in grammar and lexicon, Deutsche Gesellschaft für Sprachwissenschaft, Universität Leipzig.
May—2014	"Another look at Tagalog prosody," invited talk, Exploring the Interfaces 3, McGill University.
April—2014	"Islands, successive-cyclic movement, and pied-piping," invited course taught at GLOW Spring School 1, Brussels.
February—2014	"Selectional Contiguity and Pied-Piping," invited talk, McGill University.
February—2014	"Selectional Contiguity and Pied-Piping," invited talk, University of California at Los Angeles.
November—2013	"Some questions about movement," invited talk, Can there be a Hilbert List of Syntax (yet)?, IUSS Center for Neurocognition and Theoretical Syntax, Pavia, Italy.
October—2013	"Reclaiming the Wampanoag language," invited talk, Archaeological Institute of America, Acton, Mass.
May—2013	"Why are so many Austronesian languages verb-initial?" invited talk, AFLA 20, University of Texas, Arlington

May—2013	**"How to build a question: lessons from the Dinka language," invited talk, Concourse Friday Seminar, MIT**
May—2013	**"Selectional Contiguity," invited talk, Stony Brook University**
April—2013	**"Dinka and the architecture of long-distance extraction," with Coppe van Urk, GLOW 36, Lund University, Sweden**
March—2013	**"Dinka and the syntax of successive-cyclic movement," with Coppe van Urk, ACAL 44, Georgetown University**
October—2012	**"Extending a metrical EPP," invited talk, Workshop on Locality and Directionality at the Morphosyntax-Phonology Interface, Stanford University**
October—2012	**"On the architecture of long-distance extraction: evidence from Dinka," with Coppe van Urk (presented by van Urk), NELS 43, CUNY**
June—2012	**"Affix support and the EPP," invited talk, 13th International Symposium on Chinese Languages and Linguistics, National Taiwan Normal University, Taipei, Taiwan**
May—2012	**"Generalized Contiguity," invited talk, National Tsing Hua University, Hsinchu, Taiwan**
May—2012	**"EPP as a metrical condition on affixes," invited talk, Yale University**
April—2012	**"And God said, 'Weeqâch!': reconstructing the language of the Wôpanâak," invited talk, University of Massachusetts, Boston**
April—2012	**"Conditions on affixes and the EPP," invited talk, Rutgers University**
December—2011	**"What Can Understudied Languages Teach Us About Syntax?" invited talk, 50 Years of Linguistics at MIT**
December—2011	**"A Metrical EPP," invited talk, Michigan State University**
November—2011	**"EPP as a Metrical Requirement," invited talk, New York University**
November—2011	**"Contiguity Theory," invited talk, Cornell University**
June—2011	**"Prosody and Syntax," invited week-long seminar, 5th Linguistics Summer School in the Indian Mountains, Kangra, Himachal Pradesh, India**

April--2011	**"Generalized Contiguity," invited talk, WCCFL 29, University of Arizona**
April--2011	**"Affix support and the EPP," invited talk, CLS 47, University of Chicago**
March--2011	**"Generalized Contiguity," invited talk, University of California, Santa Cruz**
September--2010	**"Generalized Contiguity and the prosody of adjacency," invited talk, University of Massachusetts, Amherst**
September--2010	**"Affix Support and the EPP," invited talk, University of Massachusetts, Amherst**
September--2010	**"Generalized Contiguity and the prosody of adjacency," invited talk, WPSI 4, University of Delaware**
September--2010	**"Affix Support and the EPP," invited talk, McGill University**
June--2010	**"Prosody and syntax," invited four-day seminar, SyntaxFest 2010, Indiana University**
May--2010	**"Searching for the Malay copula," invited talk, ISMIL 14 (International Symposium on Malay/Indonesian Linguistics), University of Minnesota**
April--2010	**"Ways of being verb initial," invited talk, Formal Approaches to Mayan Linguistics, MIT**
April--2010	**"Affix support and the EPP," invited talk, Cornell Undergraduate Linguistics Colloquium**
April--2010	**"Affix support and the EPP," invited talk, MSCL 5 (Moscow Student Conference in Linguistics), Independent University of Moscow, Russia**
March--2010	**"A prosodic account of head-movement," Penn Linguistics Colloquium, University of Pennsylvania**
February--2010	**"A metrical theory of EPP," poster, WCCFL 28, University of Southern California**
August--2009	**"Nothing is improper," invited talk, MASL (Minimalist Approaches to Syntactic Locality), Research Institute for Linguistics of the Hungarian Academy of Sciences, Budapest, Hungary**

August--2009	**Invited lecturer, Wôpanâak Immersion Camp, Mashpee, Mass. (taught immersion classes in Wôpanâak language)**
July--2009	**Invited three-week seminar, New York-St. Petersburg Institute of Cognitive and Cultural Studies, St. Petersburg, Russia**
May--2009	**"The Tagalog copula," AFLA 16, University of California, Santa Cruz**
February--2009	**"Beyond Strength and Weakness: wh-movement, head-movement, and EPP," invited talk, SUNY Stony Brook**
October--2008	**"Locality and Distinctness: the case of Kinande," invited talk, Middle East Technical University, Ankara, Turkey**
October--2008	**"Beyond strength and weakness: intonation and the distribution of overt movement," invited talk, Mediterranean Syntax Meeting 2, Boğaziçi University, Istanbul, Turkey**
May--2008	**Invited lecturer, Wôpanâak Immersion Camp, Mashpee, Mass. (taught immersion classes in Wôpanâak language)**
April--2008	**"Maliseet VP-ellipsis and the syntax of polysynthesis," invited talk, Harvard University**
October--2007	**"Maliseet VP-ellipsis and the syntax of polysynthesis," NELS 38, Ottawa**
October--2007	**"*Among*-sentences," with Takako Iseda, NELS 38 Poster session, Ottawa**
September--2007	**"Beyond strength and weakness: wh-prosody and wh-syntax," invited talk, WPSI 3, Indiana University**
July--2007	**Invited three-week seminar on the Syntax-Phonology Interface, New York-St. Petersburg Institute of Cognitive and Cultural Studies, St. Petersburg, Russia.**
May--2007	**"Case and licensing in Tagalog," AFLA 14, McGill University, Montreal**
March--2007	**Invited lecturer, Wôpanâak Immersion Camp, Mashpee, Mass. (taught immersion classes in Wôpanâak language)**
February--2007	**"Beyond strength and weakness," invited talk, Information Structure and Syntax Workshop, Queen Mary, London**

January--2007	"Beyond strength and weakness: wh-movement and intonational phrasing," invited talk, ZAS, Berlin
January--2007	"Distinctness and multiple-wh," invited talk, Novi Sad Generative Syntax Workshop, Novi Sad, Serbia
October--2006	Invited commentary on talks by Eric Potsdam and by Peter Cole and Gabriella Hermon, Workshop on Comparative Austronesian Syntax, UC San Diego.
May—2006	"Beyond strength and weakness: prosody as a predictor for wh-movement," invited talk, University of Paris 8
May—2006	"Beyond strength and weakness: Japanese wh-prosody as a model for wh-syntax," invited talk, WAFL 3, Moscow State University
March—2006	"Some notes on Tagalog prosody and Tagalog syntax," invited talk, AFLA 13, National Tsing Hua University, Taiwan
March—2006	"Tagalog prosody and the cross-linguistic distribution of wh-in-situ," invited talk, University of Massachusetts, Amherst
February—2006	"Tagalog and the syntax of long-distance extraction," invited talk, Berkeley Linguistic Society
December—2005	"Beyond strength and weakness: matching prosody and syntax in wh-movement," invited talk, Syracuse University
December—2005	"Beyond strength and weakness: matching prosody and syntax in wh-movement," invited talk, Cornell University
November—2005	"Tagalog and the syntax of successive-cyclicity," invited talk, NYU
October—2005	"Reconstructing Wampanoag Stress," 37th Algonquian Conference, Carleton University and Canadian Museum of Civilization, Ottawa
October—2005	"The role of the linguist in documenting, revitalizing, and developing materials for endangered languages," invited member of a discussion panel with Lenore Grenoble and Keren Rice, Conference on Language and Poverty, Cornell University
October—2005	"Agreement and successive-cyclic movement in Tagalog and English," invited talk, 5th Asian GLOW, Jawaharlal Nehru University, New Delhi

May—2005	**"The Agreement sequence for successive-cyclic movement in Tagalog and English," invited talk, Mayfest 2005, University of Maryland**
May—2005	**"Person-Case effects in Tagalog," AFLA 12, UCLA**
March—2005	**"Beyond strength and weakness," invited talk, Princeton University**
January—2005	**"Beyond strength and weakness," invited talk, McGill University**
January—2005	**"Topics in the Grammar of Bororo and Kadiweu," invited 2-week seminar, EVELIN 2005, Campinas, Brazil**
November--2004	**"Beyond strength and weakness," invited talk, University of Maryland**
June--2004	**"Beyond strength and weakness," invited talk, University of Illinois**
June--2004	**"Linearizing syntactic trees," invited 2-week seminar, Indiana University**
May--2004	**"Beyond strength and weakness," invited talk, UCLA**
April--2004	**"Beyond strength and weakness," invited talk, University of Calgary**
January--2004	**"Topics in the syntax-phonology interface," invited 1-week seminar, EVELIN 2004, Campinas, Brazil**
December--2003	**"Beyond strength and weakness," invited talk, Rutgers University**
October--2003	**"Minimal Linearization, Holmberg's Generalization, and wh-movement in Tagalog and Zazaki," invited talk, CASTL Kick-Off Conference, University of Tromsø, Norway**
August--2003	**"Limitations on Linearization," invited talk, Yeungnam University, Korea**
August--2003	**"Phases and the syntax of wh-movement," invited talk, Society of Modern Grammar 33, Taegu, Korea**
August--2003	**"Holmberg's Generalization and wh-movement," invited talk, GLOW in Asia 4, Seoul National University, Korea**
March--2003	**"Tagalog and the syntax of wh-extraction," AFLA 10, University of Hawai'i at Manoa**

January--2003	**"Phase edge and extraction: a Tagalog case study," co-presented with Andrea Rackowski, IAP Workshop on Phases and EPP, MIT**
September--2002	**"Why there is an EPP," invited talk, Movement and Intepretation workshop, Meikai University, Urayasu, Japan**
August--2002	**"Serial verbs in Lardil," invited talk co-presented with Becki Norris, University of Sydney, Australia**
May--2002	**"Wh-movement: Probes and Goals," invited talk co-presented with David Pesetsky, University of Maryland**
April--2002	**"Conditions on Linearization," invited talk, Yale University**
April--2002	**"Tagalog Ellipsis," invited talk, AFLA 9, Cornell University**
February--2002	**"And God said, 'Weeqâyuch': Resurrecting Wampanoag from 17th-century documents," invited talk, Boston University**
November--2001	**"A Distinctness Condition on Linearization," invited talk, University of Pennsylvania**
October--2001	**"Lowering and cyclicity: attraction by X from Spec XP", NELS 32 poster session, NYU & CUNY**
April--2001	**"Scrambling and scope in Tagalog," AFLA 8, MIT**
April--2001	**"Constraints on adjacency: linearization and distinctness," GLOW 24, Universidade do Minho, Braga, Portugal**
February--2001	**"A Distinctness Condition on Linearization," WCCFL 20, USC**
November--2000	**"Movement Dependencies in a Root-First Derivation," invited talk, University of Maryland**
October--2000	**"Very local A-bar movement," WECOL 2000, California State University, Fresno**
June--2000	**"Compiling a Grammar: Some Case Studies from Wôpanâak," Language for Seven Generations Conference, MIT**
March--2000	**"Some Notes on Conjunct and Independent Orders in Wampanoag," Workshop on Structure and Constituency in Languages of the Americas, University of Toronto**

October--1999 "Dependency Formation and Directionality of Tree Construction," invited talk, University of Massachusetts, Amherst

July--1999 "Subject Extraction without Subjects," invited talk, LSA Workshop on the Role of Grammatical Functions in Transformational Syntax

June--1999 "Multiple wh-constructions and the derivation," invited talk, Department of English Linguistics, Osaka University

June--1999 "Multiple wh-constructions: what happens when?" invited talk, Institute of Language and Cultural Studies, Hokkaido University

April--1999 "Additional-wh Effects and Directionality of Tree Construction," invited talk, WCCFL Workshop on Derivational Properties of Language

April--1999 "Complementizer cliticization in Tagalog and English," AFLA 6, University of Toronto

March--1999 "Pied-piping and Islands: the *that*-trace effect," GLOW 22

February--1999 "Some Non-Differences between Overt and Covert Movement," invited talk, Seoul, Korea

February--1999 "Pied-Piping and Islandhood," invited talk, 15th Society of Modern Grammar, Pusan, Korea

January--1999 "An Island Effect in Japanese," LSA Annual Meeting

December--1998 "Pied-Piping and the That-trace Effect," invited talk, Cornell University

December--1998 "Dependency Interactions and the Derivation," invited talk, Cornell Linguistic Circle

June--1998 "Focusing on Serbo-Croatian, and not on Bulgarian," Workshop on Slavic Morphosyntax, Indiana University

April--1998 "Pied-Piping, and All Those Other Islands," MIT Ling Lunch

March--1998 "On the Importance of Simultaneity," invited talk, MIT graduate seminar on "Approaches to wh-movement"

March--1998 "Anti-Agreement in Chamorro," AFLA 5, University of Hawai'i at Honolulu
